6th NASCE scientific meeting

NETWORK OF ACCREDITED SKILLS CENTERS IN EUROPE

Dear Friends, Dear Colleagues,

We are pleased to welcome you to the international scientific conference entitled “6th NASCE/ UEMS Scientific Meeting – New Frontiers in Open Innovation” that will take place on September 6 – 9, 2022 at Divani Caravel Hotel, Athens, Greece.

It is essentially the European Conference on Continuing Education and Continuing Training of Physicians and Health Professionals with emphasis on new technologies (simulation, artificial intelligence, etc.) and the wider modernization of continuing education. NASCE (Network of Accredited Clinical Skills Centres of Europe) is a multidisciplinary joint committee (MJC) of the European Union of Medical Specialists (UEMS). The largest scientific body in Europe with more than 1,6 million MDs. It also has strong links and relations with European Institutions (Commission and Parliament), the other independent European Medical Organizations and the European Medical / Scientific Societies.

From Tuesday, September 6 until Wednesday 7, the Train the Trainers Course, certified by UEMS, will precede the Scientific program (8 – 9 September) and will also include the innovation of the Athens Ideas Meeting (Athens Thoughts for Higher Education and New Stimulation of Ideas), where personalities from the wider scientific spectrum and the intellectual life will be invited.

September
6 - 9 2022

DIVANI CARAVEL HOTEL
Athens, Greece

We have the honour of inviting internationally-acclaimed keynote speakers for the Conference.

We are also pleased to present abstracts from Europe and worldwide. These abstracts reflect a strong desire from healthcare professionals and students to share their research interests at the Scientific Conference. There will be ample opportunities for the participants to discuss, share and engage in stimulating discussions at the various scientific sessions and presentations.

We look forward to meeting you and wish all an enriching and mind-stimulating experience at the two-day Train the Trainers Course and Scientific Conference of NASCE – UEMS.

We would like to express our Sincere Thanks to our Sponsors, for their Support.

In appreciation,

Associate Prof. M. E. Aksoy

NASCE Chairman
Director, CASE
